About DUT THE UNIVERSITY

Dalian University of Technology (DUT) is a national key university directly administered by the Ministry of Education and a member of China's "Project 211", "Project 985" and "Double First-Class" initiatives, with engineering disciplines among the best in China. During the program participants visit the automotive and bridge-tunnel laboratories and the engineering training centre.

About Dalian THE CITY

Dalian sits at the southern tip of the Liaodong Peninsula and is one of China's most popular coastal cities. In winter it is covered in snow: ice and snow activities, city tours and exchange with Chinese students help participants discover China in real settings.
